30-Panel UTI Test Launching on Jan 15th

“

Our UTI testing launch reinforces our commitment to delivering accurate, timely, and accessible healthcare solutions to our communities.”

Harvey Singh, CEO of My Care Labs

Urinary Tract Infections are among the most common infections, affecting millions worldwide. Early diagnosis and treatment are critical to avoid complications and ensure optimal patient outcomes. The My Care Labs state-of-the-art 30-panel [UTI testing](#) service is designed to deliver fast, reliable results, empowering healthcare providers and patients to make informed decisions.

“Our mission at My Care Labs is to address the healthcare needs of our community with precision and care,” said Harvey Singh, the CEO of My Care Labs. “The launch of UTI

testing represents our commitment to expanding diagnostic capabilities and meeting the evolving needs of our patients.”

The new UTI testing service will feature:

- Quick Turnaround Time: Results delivered rapidly to support timely treatment.

- Accurate Diagnosis: Cutting-edge technology ensures high precision in identifying UTI-causing pathogens.
- Accessibility: Convenient service options, including at-home test kits and flexible testing locations.

In addition to UTI testing, My Care Labs offers a wide range of [diagnostic services](#), including COVID-19/FLU/RSV all-inclusive testing and comprehensive wellness testing. These services reflect the organization's dedication to holistic and proactive healthcare solutions, ensuring that patients receive the care they need for a wide spectrum of health concerns.

The UTI testing service will be available at all My Care Labs locations and through mobile testing units for increased accessibility.

The graphic features the My Care Labs logo at the top left with the tagline "Testing Made Easy." and social media icons for Facebook, Instagram, LinkedIn, and Twitter. The main headline reads "UTI Testing Launch - My Care Labs" in white text on an orange background. Below this, it says "COMPREHENSIVE DIAGNOSTIC SOLUTIONS FOR BETTER HEALTH." with a QR code to the right. The background shows a group of diverse healthcare professionals smiling. The graphic is divided into sections: "About Us" with a bullet point stating they are a trusted provider of diagnostic solutions; "Launch Announcement" with a bullet point announcing UTI testing services starting January 15th; and "Test Features" with three bullet points: fast turnaround times, reliable and precise diagnostics, and flexible testing options. At the bottom, a blue bar contains the address "5500 Stewart Ave Ste 108 Fremont, CA 94538", the website "www.mycarelabs.com", and the phone number "800-790-4550". An image of a female lab technician in a white coat holding a tray of test tubes is also present.
