News for Thomasino Media

Reporting:

[FITECH](#) Consultants is at the forefront of the PropTech (Property Technology) revolution, with CEO [Ian Marlow](#), CTO Duarte Pereira, and newly appointed Vice President of Sales [Kristen Thomasino](#) driving transformative innovations for the multifamily residential real estate and construction industries. Together, this powerhouse leadership team is set to redefine how property owners, developers, and managers optimize their operations and deliver exceptional tenant experiences.

Ian Marlow the CEO and Duarte Pereira the SVP & CTO of FITECH

“

Our collective vision is to empower the multifamily residential and construction sectors with the tools and strategies needed to thrive.”

Ian Marlow | CEO FITECH

Ian Marlow, a visionary in real estate technology, has a proven track record of integrating business processes with advanced systems. His entrepreneurial acumen and forward-thinking approach have established FITECH as a trusted name in providing scalable, efficient solutions tailored to the multifamily sector.

Duarte Pereira, a technology innovator, has revolutionized the integration of Smart Tech Infrastructure into real estate

and construction projects. His expertise in AI-driven, future-ready building systems ensures FITECH's clients are equipped to navigate the challenges of today while preparing for the opportunities of tomorrow.

Joining this dynamic duo, Kristen Thomasino brings a new level of energy and expertise to amplify FITECH's good work and roll out transformative programs across North America. With a background in driving sales, building strategic partnerships, and scaling operations, Kristen's contributions are pivotal in expanding FITECH's reach and ensuring the success of its cutting-edge solutions.

"Our collective vision is to empower the multifamily residential and construction sectors with the tools and strategies needed to thrive," said Ian Marlow. "With Kristen joining our leadership team, we're accelerating the rollout of innovative programs designed to transform the industry."

Duarte Pereira added, "By combining advanced technologies with strategic expertise, we're creating ecosystems that improve operations, enhance tenant satisfaction, and foster sustainable growth."

Kristen Thomasino echoed the team's enthusiasm, stating, "I'm thrilled to join Ian and Duarte in bringing these groundbreaking solutions to businesses across North America. Together, we're making a lasting impact on the real estate and construction industries."

FITECH's leadership team continues to set the standard for excellence in PropTech, delivering game-changing services that empower their clients to succeed in an ever-evolving market.

Kristen Thomasino, Vice President

FITECH

At FITECH we are the Real Estate experts that deliver the end to end technology solutions and experiences solving the needs from the owner to the building to the tenant.

The infographic is titled "FITECH's Solutions & Services" and is divided into several sections. At the top left, a blue background contains text about FITECH's vertically integrated platform. Below this, a white section titled "Continually Evolving" describes the company's work with various real estate clients. On the right side, a list of services is presented with corresponding icons: Real Estate Consulting, Accounting Services, Lease Administration, IT & Security, and Smart Tech Infrastructure. At the bottom right, the FITECH logo is shown with its specific service offerings.

Our fully vertically integrated platform has established FITECH as a go-to vendor for custom real estate technology platforms. We leverage the benefits of our holistic service approach to help our clients better manage their business operations.

With a deep understanding of client needs, we're able to provide custom end to end solutions. We bring industry-leading insights and expertise to every engagement, enabling clients to maintain a competitive edge.

Continually Evolving

We work with multifamily, student housing, affordable housing, retail, industrial and commercial real estate owners and operators, property management firms, institutional investors and real estate brokers nationwide – many of whom are among the real estate industry's largest and most prestigious leaders. We are strategic partners with leading software vendors to bring best-in-breed solutions to every client.
