FITECH

At FITECH we are the Real Estate experts that deliver the end to end technology solutions and experiences solving the needs from the owner to the building to the tenant.

Our fully vertically integrated platform has established FITECH as a go-to vendor for custom real estate technology platforms. We leverage the benefits of our holistic service approach to help our clients better manage their business operations.

With a deep understanding of client needs, we're able to provide custom end-to-end solutions. We bring industry-leading insights and expertise to every engagement, enabling clients to maintain a competitive edge.

Continually Evolving

We work with multifamily, student housing, affordable housing, retail, industrial and commercial real estate owners and operators, property management firms, institutional investors and real estate brokers nationwide – many of whom are among the real estate industry's largest and most prestigious leaders. We are strategic partners with leading software vendors to bring best-in-breed solutions to every client.
