financial education. Through her work at Investornomy, she has championed initiatives to equip women with the tools and knowledge necessary to take control of their financial security. Her advocacy aligns seamlessly with 100 Women in Finance's mission to create opportunities and elevate the voices of women in the industry. "I am deeply honored to be part of this movement and look forward to contributing to its vision of a more diverse, equitable, and inclusive finance sector," said Dr. Linda.

100 Women in Finance achieves its goals through three core pillars: Education, providing access to training and development for women at all career stages; Peer Engagement, fostering networking opportunities to connect professionals globally; and Impact, spearheading initiatives that advance gender diversity in finance. The organization also supports NextGen initiatives, ensuring the next generation of women professionals have the resources and mentorship needed to succeed.

“

Joining 100 Women in Finance is an opportunity to collaborate with an extraordinary community of women leaders who are redefining the financial industry.”

Dr Linda Pajoel

Dr. Linda's journey as a financial leader and her dedication to empowering working women have made her an advocate for diversity in leadership. Her contributions to financial literacy, stock investing education, and gender equity mirror the mission of 100 Women in Finance. As part of this vibrant network, she aims to inspire other

women leaders to join the movement, collaborate, and create lasting change in the industry.

Dr. Linda invites female professionals in investing and finance to consider becoming part of 100 Women in Finance's growing community.
