

Kristen Thomasino Joins FITECH to Elevate the Construction Industry with Advanced Accounting & Consulting Services

*Empowering the Construction Industry
with Tools for Growth and Success*

LOS ANGELES, CA, UNITED STATES,
December 30, 2024 /

EINPresswire.com/ -- The [Social Good News](#) by Thomasino Media reporting:

[Kristen Thomasino](#), a renowned Social Good Technologist and Global Humanitarian, has joined [FITECH](#) as Vice President of Sales. With a mission to uplift the construction industry, Kristen brings her wealth of expertise to FITECH's innovative Accounting and Consulting services.

FITECH, a leader in providing cost-effective professional services, is committed to helping the construction industry streamline operations, improve financial performance, and achieve sustainable growth. Through this partnership, FITECH is set to empower construction companies with tailored solutions designed to meet their unique challenges in today's dynamic market.

Kristen Thomasino, widely recognized for her leadership in technology and her dedication to social good, shared her vision:

"The construction industry builds the world we live in. My mission is to empower these builders with the tools and support they need to succeed—because when construction thrives, communities thrive."

Kristen's extensive experience in data-driven solutions and strategic growth initiatives positions

her to lead with Ian Marlow FITECH's efforts in creating meaningful impacts for construction professionals across the nation. She mentioned how excited she is to work with VP of Accounting & Consulting Carol O'Donnell to make a difference in the United States, Canada, and beyond with the team.

For more information on FITECH's Accounting & Consulting services and how they can help your construction business grow, visit www.fitechllc.com.

About FITECH

FITECH specializes in delivering innovative accounting, consulting, and technology solutions tailored to industries like construction, real estate, and finance. By combining cutting-edge technology with unparalleled expertise, FiTech helps businesses streamline operations, maximize ROI, and achieve lasting success.

The construction industry builds the world we live in. My mission is to empower these builders with the tools and support they need to succeed—because when construction thrives, communities thrive.”

Kristen Thomasino | Global Humanitarian & Social Good Technologist

FITECH

At FITECH we are the Real Estate experts that deliver the end to end technology solutions and experiences solving the needs from the owner to the building to the tenant.

The infographic is divided into several sections. At the top left, a dark blue box contains text about FITECH's vertically integrated platform. Below this is a white box with the heading 'Continually Evolving' and a paragraph about their client base. To the right, a white box titled 'Our Services Will Set Your Business Up For Success' lists various services under five categories: Real Estate Consulting, Accounting Services, Lease Administration, IT & Security, and Smart Tech Infrastructure. Each category is accompanied by a small icon. At the bottom of the infographic is a large portrait of Ian Marlow, CEO and Founder of FITECH.

Our fully vertically integrated platform has established FITECH as a go-to vendor for custom real estate technology platforms. We leverage the benefits of our holistic service approach to help our clients better manage their business operations.

With a deep understanding of client needs, we're able to provide custom end-to-end solutions. We bring industry-leading insights and expertise to every engagement, enabling clients to maintain a competitive edge.

Continually Evolving

We work with multifamily, student housing, affordable housing, retail, industrial and commercial real estate owners and operators, property management firms, institutional investors and real estate brokers nationwide – many of whom are among the real estate industry's largest and most prestigious leaders. We are strategic partners with leading software vendors to bring best-in-breed solutions to every client.
