NEP Sweetwater and Shadowbox Studios are proud to announce the launch of a cutting-edge Virtual LED Wall, now hosted on Stage 2 in Atlanta, GA.

ATLANTA, GEORGIA, UNITED STATES, January 2, 2025 /EINPresswire.com/ --

NEP Sweetwater and Shadowbox Studios are proud to announce the launch of a cutting-edge [Virtual LED Wall](#), now hosted on Stage 2 in Atlanta,

GA. This state-of-the-art virtual production technology opens endless creative possibilities for filmmakers, commercials, music videos, live events, and production teams, setting a new standard in virtual production tools and immersive effects.

“

To see people come in and see the wall running is what I enjoy most. When I have a DP come in who has never used the system before and they end up using it; it is everything to me.”

Todd Patience, Sr. Account Executive

The collaboration between NEP Sweetwater and Shadowbox Studios brings advanced capabilities directly on-site, making high-quality virtual production accessible and streamlined for industry professionals.

“Just to see people come in and see the wall running is what I enjoy most. When I have a DP come in who has never used the system before and teach them all the key capabilities, they end up using it; it is everything to me.” - Todd Patience, Sr. Account Executive.

Located in Atlanta's vibrant creative hub, Stage 2 at Shadowbox Studios now offers filmmakers the tools to create blockbuster scenes, dynamic commercials, and innovative music videos with unmatched flexibility and precision. Its immersive capabilities allow creators to bring their visions to life without the constraints of traditional production environments.
