

# European Camper Specialist Innova Launches Its Popular and Proven Innova 595L Roadtrip in the USA

*Innova, a leading name in European camper design and innovation, is thrilled to announce the launch of its Innova 595L Roadtrip camper in the US*

LAS VEGAS, NV, UNITED STATES, January 7, 2025 /EINPresswire.com/ -- Innova, a leading name in European camper design and innovation, is thrilled to announce the launch of its highly acclaimed Innova 595L Roadtrip camper in the United States. With a reputation for quality craftsmanship, thoughtful design, and unparalleled comfort, the Innova 595L Roadtrip promises to set a new standard for road travel across America.

From Yachts to Campers Innova began as a supplier for yacht builders in the Netherlands, crafting high-quality components for luxury vessels. Over time, the company shifted its focus solely to offering luxury yacht-inspired campers built on the reliable Mercedes-Benz Sprinter platform. This evolution reflects Innova's dedication to delivering the same elegance and functionality found in premium yachts to the world of road travel.

**Features That Redefine Road Travel**The Innova 595L Roadtrip is equipped with a range of premium features designed to enhance the travel experience:

**Multi-Functional Tables:** Versatile tables that adapt to various needs, from dining to workspace setups.

**Length Bed:** A spacious and comfortable sleeping area for 2 people designed for maximum space and comfort.

**Luxury Shower:** A modern bathroom featuring a high-end shower for comfort on the go and a Clesana Dryflush Non Chemical toilet

**Smart Layout:** Optimized interior design with modular seating arrangements and ample storage space.

**Durable Build:** Lightweight yet durable materials ensure superior performance and fuel efficiency without compromising structural integrity.

**Eco-Friendly Innovations:** Solar panel integration and energy-efficient systems reduce environmental impact and ensure off-grid capabilities.

**Tech-Forward Features:** Smart connectivity options, including a central control panel, USB charging ports, and Wi-Fi readiness.

The Roadtrip 595L has proven to be a success in Europe, particularly among couples and individuals who value a luxurious yet functional interior for their journeys. Its thoughtful design caters to adventurers who seek comfort and usability wherever the road takes them.

**Perfect for the American Adventure**The 595L Roadtrip has been tailored to meet the needs of the American market, with enhancements to accommodate the diverse terrains and lifestyles of U.S. travelers. Its compact size makes it ideal for navigating both bustling urban streets and rugged backcountry trails, while its luxurious interior ensures a home-away-from-home experience.

**Innova's Commitment to Excellence**"We are incredibly excited to bring the Innova 595L Roadtrip to the U.S.," said Robin, representative of Innova. "For years, we've listened to feedback from our European customers to refine and perfect this model. Now, we're eager to share it with American travelers who value quality, innovation, and adventure."

**Availability and Pricing** for The Innova 595L Roadtrip is available through Innova's official

website. Several units are in stock .

About Innova, Innova has been a pioneer in camper design and manufacturing for over two decades after being first established as a yacht interior specialist. With a focus on blending innovation, comfort, and sustainability, the company has become a trusted name among travel enthusiasts across Europe and beyond. Innova's commitment to quality craftsmanship and customer satisfaction drives its mission to create unforgettable travel experiences.
