

Beauty of Orient by Chun-Cheng Lee, Tzu-Chien Huang & Chih-Chih Chung Wins Iron A'Design Award in Interior Space Design

Innovative Office Design Transforms 50-Year-Old Residence into Modern Minimalist Studio

COMO, CO, ITALY, January 2, 2025 /EINPresswire.com/ -- The A' Design Award, a highly respected recognition in the field of [interior](#) design, has announced Beauty of Orient by [Chun-Cheng Lee, Tzu-Chien Huang and Chih-Chih Chung](#) as the recipient of the Iron A' Design Award in the Interior Space and Exhibition Design category. This prestigious accolade highlights the significance of the winning design within the interior design industry, positioning it as a notable achievement that meets rigorous professional and industrial standards.

Beauty of Orient showcases the transformative power of interior design, demonstrating how a 50-year-old residence can be reimaged into a modern, minimalist office space. The design addresses current trends and needs within the industry, focusing on creating a functional, aesthetically pleasing, and human-oriented environment that enhances the well-being and productivity of its occupants. By aligning with interior design best practices and pushing the boundaries of innovation, Beauty of Orient offers practical benefits for users, the industry, and other stakeholders.

The award-winning design stands out for its masterful use of a low-saturation color scheme, featuring black, white, and gray hues that create a classic and intellectual atmosphere. The incorporation of organic curves softens the minimalist aesthetic, while the asymmetrical curve on the second floor serves as a focal point, shaping an image of modernity and efficiency. The open plan layout of the first floor, along with the strategically placed partitioned kitchen, ensures

flexibility and unrestricted circulation for staff and visitors alike.

This recognition from the A' Design Award serves as motivation for Chun-Cheng Lee, Tzu-Chien Huang and Chih-Chih Chung to continue pushing the boundaries of interior design, inspiring future projects that prioritize functionality, aesthetics, and the well-being of users. By setting a new standard for office design, Beauty of Orient has the potential to influence industry practices and foster further innovation in the field.

Beauty of Orient was designed by Chun-Cheng Lee, Tzu-Chien Huang, Chih-Chih Chung, Tzu-Chien Huang, and Sherry Zhong.
