

B2i Digital Named Silver Sponsor and Marketing Partner for Maxim Group's 2025 Mining Conference

B2i Digital Will Showcase Presenting Companies' Profiles to Its Community of 1.1 Million Capital Markets Professionals

NEW YORK, NY, UNITED STATES, January 2, 2025 /EINPresswire.com/ -- [B2i Digital, Inc.](#), a leader in digital marketing for the investment community, has been named a Silver Sponsor and Marketing Partner for Maxim Group's virtual 2025 Mining Conference: "Mining & Supplying Critical Minerals & Precious Metals," scheduled for January 16, 2025, at 9:00 AM ET.

B2i Digital Named Silver Sponsor and Marketing Partner for Maxim Group's 2025 Mining Conference

This year's event promises to deliver deeper insights into the evolving global mining and processing industries, particularly in critical minerals and precious metals. The conference will explore topics such as shifting geopolitical demands, advances in processing technologies, and the impact of new government policies on the supply of essential resources.

Maxim's 2025 Mining Conference comes at a pivotal moment for the critical minerals and precious metals sectors."

David Shapiro

Presented by Maxim Group and hosted on M-Vest, the conference will include live panel discussions and presentations from more than 20 companies across the mining sector. Notable participants include 5E Advanced Materials (FEAM), Canada Nickel Company (TSXV:CNC), and Ur-Energy (URG), among others. Investors will also gain

insights from Maxim Group's Senior Research Analyst, Tate Sullivan, who will lead the conversations.

As part of this collaboration, [B2i Digital](#) will create digital profiles for the presenting companies,

highlighting their innovations, market opportunities, and competitive strategies. These profiles will be accessible at

<https://b2idigital.com/2025-maxim-mining-conference> before the

conference, enabling attendees to learn about participating companies.

"Maxim's 2025 Mining Conference comes at a pivotal moment for the critical minerals and precious metals sectors," said David Shapiro, CEO of B2i Digital. "Our digital profiles are designed to give investors actionable insights into the companies shaping this essential industry and to foster meaningful connections during and after the event."

The 2025 Mining Conference will also address timely topics such as the

inclusion of new materials on critical mineral lists maintained by the U.S. Geological Survey and the Department of Energy. These changes highlight the increasing significance of collaboration between governments and private industry to meet global demand.

Attendees can sign up for free membership on Maxim Group's M-Vest platform at <http://www.m-vest.com/> to access the live discussions and request 1-on-1 meetings with presenting companies. Log In or Sign Up at this link: <https://m-vest.com/events/mining-01162025>
