

Gatheri Announces Launch of Smart Scheduling Platform to Automate In-Person Meetups and Combat Loneliness

Gatheri launches a new platform that automates meetup scheduling, enabling seamless in-person meetups to help combat loneliness.

LOS ANGELES, CA, UNITED STATES, January 6, 2025 /EINPresswire.com/ -- As communities around

“

It used to be so time consuming to arrange gatherings with friends. It usually took a week of back and forth to settle on a time. Now we just enter our free time & Gatheri arranges meetups for us!”

Gina J.

the world face rising levels of loneliness and the complexities of coordinating in-person interactions, Gatheri is launching an innovative scheduling platform to address these challenges.

Featuring a patent-pending algorithm developed through first principles thinking, Gatheri automates the scheduling process by synchronizing available times for meetups, simplifying the logistics of in-person engagements.

The heart of Gatheri’s platform is a sophisticated algorithm that aligns users’ schedules, sending automatic

notifications when overlaps are detected. This approach significantly reduces the need for extensive negotiations and communication, allowing users to easily coordinate meetups by inputting their available dates and times.

The launch comes at a crucial moment, offering a solution as societies seek to enhance direct social connections. By streamlining how individuals organize meetups, Gatheri aims to reduce the effort of planning and foster face-to-face interactions.

"By leveraging innovative technology, Gatheri seeks to break down barriers to meeting in person, promoting stronger community ties," said Anthony Shan, CEO of Gatheri. "Our platform is poised to make in-person connections more accessible as we address the widespread issue of loneliness."

Key Features and Societal Impact:

- **Automation of Scheduling:** The technology efficiently aligns user availability, reducing lengthy message exchanges and facilitating easier organization of meetings.

- **Enhancement of In-Person Interactions:** Gatheri prioritizes spontaneous in-person meetings, emphasizing the value of direct connections in maintaining strong bonds.

- **Addressing Global Loneliness:** As a response to the increasing concern of loneliness, Gatheri empowers users to engage with their social networks, strengthening personal relationships.
