

Step by He-Yun Lu Wins Iron A' Design Award in Interior Space and Exhibition Design Category

Innovative Indoor Golf Center Design Recognized for Excellence by Prestigious International Design Competition

COMO, CO, ITALY, January 3, 2025 /EINPresswire.com/ -- The A' [Design Award](#), one of the world's most respected design competitions, has announced that Step, an exceptional indoor golf center design by [He-Yun Lu](#), has been honored with the Iron A' Design Award in the [Interior Space and Exhibition Design](#) category. This prestigious recognition highlights the significance of Step's innovative design within the interior design industry.

Step's award-winning design showcases the importance of creating inclusive and inviting spaces that cater to a wide range of users. By

reimagining the traditional indoor golf center as a welcoming, cafe-like environment, He-Yun Lu's design demonstrates the potential for interior spaces to break down barriers and attract new audiences. This approach aligns with current trends in the industry, which emphasize the creation of multifunctional, user-friendly spaces that enhance the overall experience.

The design of Step stands out for its thoughtful use of color, materials, and zoning. The fresh, light color palette, featuring white, green, and wood grain elements, creates a warm and inviting atmosphere reminiscent of a greenhouse. The strategic use of different flooring materials helps define distinct areas while providing visual guidance and a sense of extension. The incorporation of abundant greenery further enhances the space's cozy ambiance, enticing visitors to explore and engage with the environment.

The Iron A' Design Award recognition for Step serves as a testament to He-Yun Lu's commitment to pushing the boundaries of interior design. This achievement is expected to inspire future projects within the Fullhouse Interior Design studio, encouraging the team to continue exploring innovative solutions that prioritize user experience and inclusivity. As the design industry evolves, Step stands as a shining example of how thoughtful design can transform spaces and attract new audiences.

About He-Yun Lu

He-Yun Lu is a talented interior designer based in Taiwan, China, and is associated with Fullhouse Interior Design studio. With a keen eye for detail and a passion for creating inclusive, user-centric spaces, He-Yun Lu has established himself as a rising star in the interior design industry. His award-winning design for Step showcases his ability to reimagine traditional spaces and create welcoming environments that cater to a diverse range of users.

About A' Design Award

The Iron A' Design Award is a prestigious recognition granted to designs that meet the rigorous professional and industrial standards set by the A' Design Awards. Recipients of this award demonstrate a solid understanding of design principles, creativity in execution, and the ability to address real-world challenges through practical innovations. The Iron A' Design Award acknowledges the skill and dedication of designers who contribute to their respective fields and provide solutions that improve quality of life.

About A' Design Award

The A' Interior Space, Retail and Exhibition Design Award is a highly respected international design competition that recognizes excellence and innovation in interior design. Organized annually since 2008, the award welcomes entries from visionaries, leading interior design agencies, innovative companies, renowned furniture manufacturers, and influential brands worldwide. By participating in this prestigious competition, entrants have the opportunity to showcase their creativity, gain global recognition, and be acknowledged for their superior design capabilities. The A' Design Award aims to advance the interior design industry and inspire future trends by celebrating remarkable achievements and promoting the principles of good design.
