This Christian motivational book is created to help individuals find peace and develop a closer relationship with God against the complexities of modern life. After reflecting on appreciation and the daily blessings we frequently overlook, the author encourages readers to feel gratitude and develop their spiritual connection.

Thank You Lord

People feel overwhelmed by the constant demands of their daily lives. The pressures of work, family, and societal expectations leave individuals feeling frustrated and disconnected. The Book "Thank You Lord" addresses these challenges by offering simple daily reflections that focus on finding peace through a relationship with God. Deacon Patrick Roche highlights that this peace is accessible to everyone, regardless of their circumstances or past experiences.

The book emphasizes appreciating God's presence and His blessings. By practicing gratitude, readers can focus on their daily blessings rather than the chaos around them. This change gives peace and a closer relationship with God. The prayers and thoughts in the book "Thank You Lord" aim to help readers gain a deeper spiritual awareness and appreciate God in their lives.

Deacon Patrick Roche's journey to this realization began over twenty years ago during a mission trip to Jamaica. He found a group of happy children in a tiny adoration chapel tucked away in the foothills. These kids were so happy and peaceful that they didn't seem to care about their

disabilities or abandonment. This experience changed his understanding of having a relationship with God. Therefore, he felt inspired and motivated to write this book.

"Thank You Lord" also highlights the importance of recognizing God's presence in our daily lives. "He is Here" is a central theme of the Mustard Seed Missionaries and Communities. It is something we need to remember at every moment of every day.

This conviction is a reminder that God stays with us on our journey, offering His mercy, forgiveness, and love. Readers can find ease and strength by knowing they are never alone and being aware of God's companionship.

Another key theme of the book is the practice of thanking God for His blessings. Each reflection includes prayers of thanksgiving to deepen our relationship with God. Additionally, it encourages readers to know the multiple ways in which God cares for them. These prayers serve as a powerful means of deepening the reader's relationship with God. It fosters a sense of gratitude that changes their outlook on life.

Deacon Patrick Roche's background with the Mustard Seed Missionaries enriches his writing with authentic insights and experiences. The Mustard Seed Missionaries are dedicated to caring for abandoned and disabled children. They ensure that no child is ever abandoned twice. Deacon Patrick's compassion shines through in his book, "Thank You Lord," which shares God's love and peace with others.

Deacon Patrick currently resides in Nebraska with his wife, Teresa. They have five children and eleven grandchildren. His life of service and dedication to his faith are evident on every page of his book. Writing his book is a heartfelt and genuine guide for anyone seeking a closer relationship with God. His writings aim to help readers find calm and spiritual fulfillment by going through life with thankfulness and faith.

In our overwhelming daily lives, the book "Thank You Lord" provides a ray of hope and a reminder of the simple yet deep truth that God is always with us, ready to offer His love and peace to those who seek it.
