*Fans and Players Alike are Excited as Hockey on Horseback Returns to the Lone Star State with Events Near Austin, San Antonio, Houston and DFW.*

AUSTIN, TX, UNITED STATES, January 6, 2025 /EINPresswire.com/ -- Hot on the heels of the Netflix series "Polo", [Texas Arena League](#) puts a Texas spin on the sport. [Arena polo](#) is fast-paced and spectators thrill to being up close to the action - feeling the thunder of hooves and hearing the players communicate with their teammates. What better way to experience arena polo in the Lone Star State than with the Texas Arena League (TAL) announcing its highly anticipated 2025 event schedule that will be played at eight different events through March.

“

Texas Arena League is a great way to experience polo up-close as a spectator. With four different locations across Texas, there's an event happening near you. Bring your friends and family!”

*Gal Shweiki - TAL committee member and player*

Now in its eighth year, TAL brings arena polo to the next level, both in competition and fanfare as the thrill of fast-paced and hard-hitting sports and the majesty and elegance of equine athletes come together for an event like no other.

Coining the term 'Hockey on Horseback,' players use their mounts to move an opponent away from the ball and use the rebound walls to play angles and pass to their teammates. It's fast, it's physical and reaction times are quick. Teams are made up of three pairs of human and equine players, while games are played over four periods or "chukkers" lasting seven and a half minutes each,

including time in between to change mounts and a half time to smooth the arena.

This year's event lineup is among the best and most expansive yet as there is not only the addition of an additional Armadillo Division being played at Brookshire but there will be three United States Polo Association (USPA) National tournaments and several USPA circuit events played during 2025 Texas Arena League including National Arena Delegate's Cup, Arena General George S. Patton Jr., National Arena Bronze Cup, National Arena Chairman's Cup and other USPA armed forces and arena tournaments.

"When it comes to arena polo, there is nothing quite like what you get in the Texas Arena League as it combines all the best elements of the sport with a fun and engaging fan experience, which results in one of the most electric and dynamic spectacles the state has to offer," said Megan Flynn, a TAL co-manager and TAL committee member. "As arena polo continues to gain in popularity, we are proud to offer a program that puts the brightest rising school-level talent on the same stage as national competition that continues to garner national and global attention. Whether you're looking for a new hobby or can't get enough of equine sports, you don't want to miss these Texas Arena League events that are fun for the whole family."
