Looking back, Demetra attributes her motivation for continued growth to her lineage. Her Mother and Grandmother, two powerful women, taught and demonstrated the importance of God first in all things. They also showed her that hard work, not wishing or hoping, leads to success. In her leisure, Demetra enjoys writing, listening to live music, traveling, reading audible books, and spending time with her family.

Her goal is to inspire future business leaders to continue on with their dream, understanding that not every day will be an easy day but every day is definitely a day to learn something new. Encouragement to keep going, she finds, seems to be best delivered in the words of her mother: "And this, too, shall pass", a phrase that has carried Demetra through many a difficult time. Hang in there!
