debts and improve their financial situation. Ruedy emphasizes the benefits of consolidating your debts today, which could potentially lower your monthly payments by \$1,000, \$2,000, or even \$3,000. Additionally, it's advisable to monitor future interest rates. Borrowers may have the opportunity for a no-cost refinance should mortgage rates decrease in 2025.

The new 90% cash-out refinance product has been met with overwhelming success, with many homeowners

already benefiting from it. Ruedy explains that this product is a game-changer for homeowners who are looking to consolidate their debts and improve their financial situation. By allowing homeowners to access an additional 10% of their home's equity, this product provides them with the necessary funds to pay off [high-interest debts](#) and improve their credit score.

However, Ruedy also cautions homeowners to do their research before choosing a mortgage lender. Not all lenders offer this product, and it is crucial to find a reputable and trustworthy lender who can provide the best terms and rates. Ruedy advises homeowners to work with a

mortgage expert who has a deep understanding of this product and can guide them through the process.

With the new 90% cash-out refinance product, homeowners now have a pathway to consolidate their debts and improve their financial situation. Ruedy's innovative product has already proven to be a huge success, and he encourages homeowners to take advantage of it. By accessing an additional 10% of their home's equity, homeowners can achieve financial stability and peace of mind. Stay informed on the latest mortgage rates and news!
