*Meng Hsiang Chen's Nantian 99
Recognized for Excellence in Interior
Design by Prestigious A' Design Awards*

COMO, CO, ITALY, January 6, 2025
/EINPresswire.com/ -- The A' [Design Award](#), a highly respected award in the field of [interior design](#), has announced Nantian 99 by [Meng Hsiang Chen](#) as a winner of the Iron A' Interior Space, Retail and Exhibition Design Award. This prestigious recognition highlights the significance of Nantian 99 within the interior design industry, acknowledging its outstanding design and innovation.

Nantian 99's award-winning design showcases its relevance to current trends and needs within the interior design industry. By seamlessly

blending materials, functionality, and technology, this split-level house in Taiwan exemplifies how thoughtful design can enhance the living experience. The design's alignment with industry standards and practices, coupled with its practical benefits for users, underscores its importance to the field.

What sets Nantian 99 apart is its ability to harmoniously merge the old and new sections of the house. By utilizing materials from the original space, the design team has successfully maintained the charm of aged and uneven walls, creating a timeless design ethos. The incorporation of smart home features, such as intelligent under-bed lighting and seamlessly integrated appliances, further elevates the functionality and aesthetics of the space.

The recognition bestowed upon Nantian 99 by the A' Interior Space, Retail and Exhibition Design Award serves as a testament to the skill and dedication of Meng Hsiang Chen and the design

team. This achievement is expected to inspire future projects and foster continued innovation within the brand, as they strive for excellence in the field of interior design.
