Event Details:

1. BIOTECH SHOWCASE™

Date: Monday, January 13, 2025

Time: 10:15 AM

Location: Hilton San Francisco Union Square, Franciscan-D

Address: 333 O'Farrell St, San Francisco, CA 94102

Sarcomatrix will deliver an engaging presentation showcasing its lead drug candidate, S-969, a small molecule therapy targeting muscle degeneration.

The session will emphasize the company's innovative approach to treating Duchenne Muscular Dystrophy and [Sarcopenia](#), underscoring its robust preclinical and clinical development pipeline.

2. Bullpen Pitch Fest San Francisco

Date: Monday, January 13, 2025

Time: 2:10 PM

Location: Golden Gate Yacht Club

Address: 1 Yacht Rd, San Francisco, CA 94123

Sarcomatrix will join other leading biotech startups to compete in this prestigious pitch competition. The presentation will highlight the company's investment strategy and the groundbreaking potential of its proprietary therapeutic platforms.

3. CSSi LifeSciences 2025 Annual Partnering Forum

Date: Tuesday, January 14, 2025

Time: 2:20 PM

Location: Hilton San Francisco Union Square, Room TBD

Address: 333 O'Farrell St, San Francisco, CA 94102

Sarcomatrix will present its latest advancements and opportunities for partnership, focusing on its comprehensive development programs designed to address unmet needs in muscle disease therapies.

“Our participation in these events underscores Sarcomatrix’s dedication to advancing groundbreaking treatments for muscle diseases while fostering strategic collaborations,” said David R. Craig, CEO of Sarcomatrix Therapeutics. “We look forward to engaging with investors, partners, and the broader biotech community to accelerate the development of our transformative therapies.”

JPM Week is one of the most significant gatherings for the global healthcare industry, providing unparalleled opportunities for networking and collaboration. Sarcomatrix’s presence at these premier events reflects its growing recognition as a leader in innovative drug development.
