The Bommer Group (TBG), a nationwide executive recruitment firm specializing in Life Sciences and related industries, today announced the opening of its new office in Cleveland, Ohio. Founded and led by Managing Partner Ashleigh Bommer, TBG offers specialized recruitment solutions that span Commercial, Operations, Engineering, and Scientific disciplines, with an emphasis on high-touch, partner-led service.

"We bring Life Science companies more business experience than they're used to in the talent solutions component of value creation," said Bommer. "Our business experience lends itself to creativity and an unrelenting desire for alignment with clients. Our business plan is simple: partner as closely as possible so the life sciences sector can identify talent that serves as a catalyst for value creation."

With more than 40 years of combined executive search experience in the life sciences, The Bommer Group focuses on delivering outstanding talent solutions including Executive Search, Professional Staffing, Sourcing, and Talent Pipelining. The firm's service-driven approach ensures industry and functional specialization, resulting in consistent, hands-on client experiences.
