The festival will also serve as an introduction to the California Surf Club—a first-of-its-kind fine-dining and full-service membership club located on the festival grounds. Opening this February 2025, the Surf Club will welcome its year-round members and the BeachLife Festival 2025 attendees. California Surf Club guests will enjoy gourmet cuisine, handcrafted cocktails, and personalized service, all within a private, comfortable setting that overlooks a main stage and Redondo Beach's coast.

A new ticket experience is being offered with Captain's Plus which will provide exclusive non-member access to a more intimate setting, including an opportunity to dine at the VIP restaurant onsite with an elevated culinary experience by award-winning chefs.

The California Surf Club is a 21,000 square-foot coastal compound located on the Redondo Waterfront, designed and constructed to provide a Home for the community to come as they are and focus on good company, good conversation, good vibes, and good views. The California Surf Club comprises two buildings—one serving as a public-facing restaurant/bar and the other a membership-based club, inclusive to all (day-rates are available)—connected by a beautiful sunset deck and garden. It's a communal place to meet, network, and connect with likeminded individuals, experience exceptional food and drink, and take part in a social calendar which will be announced soon featuring fitness classes, master class discussions, intimate music listening events and more. For more information, visit [www.casurfclub.com](http://www.casurfclub.com).

In addition to the exclusive California Surf Club restaurant dining experience, BeachLife will offer various food and beverage options including multiple bars, lounges, food vendors, and food trucks across the venue with vegan, vegetarian, and gluten-free options available, accessible to all festival goers.

The festival grounds will also host art installations, onsite activations highlighting various brand-focused fan engagements, giveaways, photo moments, and sustainable initiatives as well as boutique shopping, games and interactive experiences. BeachLife is thrilled to be partnering with such brands including Kona Big Wave, Tito's Handmade Vodka, Jack Daniel's, Tequila Herradura, DAOU, Ikon Pass and St Jude Children's Research Hospital.

Throughout the year and leading up to the annual festival event, BeachLife supports many organizations in Southern California's South Bay community and beyond, specifically as they relate to the preservation of beaches and oceans. With the help of the LA Kings Care Foundation and a number of national and local nonprofit organizations, BeachLife will host a Silent Auction to drive awareness to and help to raise much needed funding for these important causes. Philanthropic partners for 2025 include Heal the Bay, Surfrider Foundation, Redondo Beach Education Fund, Wyland Foundation and Redondo Beach Police Foundation.
