

Solifi appoints Corazzi Chief Executive Officer as Hamilton steps up into Chairman role

Changes strengthen leadership and ensure strategic continuity as company sets up for next phase of growth.

MINNEAPOLIS, MN, UNITED STATES, January 7, 2025 /EINPresswire.com/ -- [Solifi](#), a global fintech software partner for secured finance, today announced

the appointment of Dan Corazzi as its new Chief Executive Officer, effective on 13th January 2025. Solifi's current CEO David Hamilton

will transition into the role of Chairman.

Mr. Corazzi joins from JAGGAER, a leading global provider of procurement software, where he held the position of Chief Revenue Officer and was responsible for all customer facing activity. During his 25-year career in enterprise software, Mr. Corazzi has held executive leadership positions with firms such as SAP, where he was General Manager of the company's Customer Experience business in North America and as Chief Operating Officer for SAP's Financial Services Industries business. Mr. Corazzi also served for 7 years as CEO of ESM Solutions Corporation, a cloud-based spend management solutions provider, where he contributed to the firm being named among Inc. 5000's fastest-growing private companies.

"I am honoured to have the opportunity to lead such a well-respected and world-class technology solutions provider", stated Mr Corazzi. "I am excited about partnering with our customers and global team to continue delivering world-class mission-critical solutions that help power the economy and equip businesses for success."

"Dan has championed customer delivery excellence, talent development and innovation throughout his entire career, all of which make him a fantastic fit for our business and to lead Solifi through our next chapter of growth", commented David Hamilton. "It is an exciting time for Dan to join the business and I look forward to working closely with him to reach our strategic goals."

After serving the company as CEO for more than seven years, Mr. Hamilton will step up to become Solifi's Chairman. Mr. Hamilton has led Solifi through tremendous growth, overseeing a

strategic transformation of the business into the world's leading provider of SaaS solutions to the secured finance market. Key to this growth has been the development and launch of the company's Open Finance Platform along with acquisitions in the automotive finance and working capital space. "I am excited to take on this new challenge as Chairman and continue to work alongside our extremely talented team of technology and industry professionals", continued Mr. Hamilton.

"We are thrilled to welcome Dan as the new CEO of Solifi. Under David's leadership, the Solifi team has built a fantastic company that delivers market-leading SaaS solutions to over 300 secured finance businesses worldwide. Dan is an accomplished leader and CEO with a solid history of driving growth and fostering innovation. We are excited to partner with him, David, and the entire Solifi team", said Harry Taylor, Managing Director at TA.
