LOS ANGELES, CA, UNITED STATES, January 7, 2025 /EINPresswire.com/ -- Freestyle Digital Media, the digital film distribution division of Byron Allen's Allen Media Group, has just released the

drama ALONE IN VENICE, which is now available to rent/own on all North American digital HD internet, cable, and satellite platforms, as well as DVD, starting January 7, 2025.

“

I was mesmerized by the beauty of Venice and discovered wealthy Chinese married women keep their lovers in this enchanting city above the sea. I felt compelled to create a film about forbidden love.”

*Filmmaker Jules East*

ALONE IN VENICE is a modern reversal of the Thomas Mann novel, DEATH IN VENICE, in which a young actor is waiting for his married director while questioning what love is. It tells the story about a young and beautiful American aspiring actor, Saul Larson, waiting for his married Chinese female director in Venice, Italy. The actor was fervently in love with the director, while she was giving

him excuses after excuses, having him wait alone in Venice. Finally, when the flood season comes, Saul receives a text message from the director. Will they finally meet in Venice? And what will come out of their meeting? This film is made on purpose to be the reversal of DEATH IN VENICE, exploring the theme of forbidden love. In ALONE IN VENICE, we present to you the perspective and life of “the other man” and the complexity of falling in love with a married woman.

Written, directed, and produced by Jules East, ALONE IN VENICE features a cast including Apollo Luce (‘Saul Larson’), Lisa Jacqueline Starrett (‘Mia Jones’), and Luca Rosini (‘Tommaso Greco’).

“ALONE IN VENICE was created during a summer vacation with my friends and I spent in Venice,” said filmmaker Jules East. “As a Chinese filmmaker, I was mesmerized by the beauty of Venice and surprised to discover that among wealthy Chinese married women, it has become a trend to keep their Italian or other Caucasian lovers in this enchanting city above the sea. Inspired by DEATH IN VENICE, one of the most iconic films ever made in this city, I felt compelled to create a film about love--especially forbidden love.”

Freestyle Digital Media negotiated the deal to acquire ALONE IN VENICE directly with filmmaker Jules East.
