Radiosurgery Systems Market Report Highlights:

By Type:

Linear accelerator systems
Proton beam therapy
Gamma Knife system

By Condition:

Brain Tumors
Spine Tumors

By End User:

Hospitals
Academic and Research institute

By Region:

North America (U.S., Canada, Mexico)
Europe (Germany, France, UK, Italy, Spain, Rest of Europe)
Asia-Pacific (China, Japan, India, Australia, South Korea, Rest of Asia-Pacific)
LAMEA (Brazil, South Africa, Saudi Arabia, Rest of LAMEA)

North America garnered the major share in 2021-

Based on region, North America held the major share in 2021, generating more than two-thirds of the global radiosurgery systems market. Increase in the number of research activities, technological advancements in the healthcare sector, rise in the prevalence of chronic diseases, and presence of key players drive the market growth. The Asia-Pacific region, on the other hand, would garner the fastest CAGR of 7.5% by 2031. Surge in expenditure by government organizations to develop the healthcare sector, surge in prevalence of chronic diseases, and rise in the geriatric population fuel the market growth.

Key players in the industry-

Elekta AB (Innovator)

Avocure
Brain LAB
Integra Life Sciences Holding Corp
Ion Beam Applications SA
Accuray Incorporated
ZAP surgical System Inc.
Medtronic
Mevion Medical Systems, Inc.
Nordion Inc.
Reflexion Medical
Siemens (Varian Medical Systems)
Atrium Health
Summit Cancer Centers
ViewRay
Xcision Medical Systems
Vision RT

About Allied Market Research:

Allied Market Research (AMR) is a full-service market research and business-consulting wing of Allied Analytics LLP based in Wilmington, Delaware. Allied Market Research provides global enterprises as well as medium and small businesses with unmatched quality of "Market Research Reports" and "Business Intelligence Solutions." AMR has a targeted view to provide business insights and consulting to assist its clients to make strategic business decisions and achieve sustainable growth in their respective market domains. AMR offers its services across 11 industry verticals including Life Sciences, Consumer Goods, Materials & Chemicals, Construction & Manufacturing, Food & Beverages, Energy & Power, Semiconductor & Electronics, Automotive & Transportation, ICT & Media, Aerospace & Defense, and BFSI.

We are in professional corporate relations with various companies and this helps us in digging out market data that helps us generate accurate research data tables and confirms utmost accuracy in our market forecasting. Allied Market Research CEO Pawan Kumar is instrumental in inspiring and encouraging everyone associated with the company to maintain high quality of data and help clients in every way possible to achieve success. Each and every data presented in the reports published by us is extracted through primary interviews with top officials from leading companies of domain concerned. Our secondary data procurement methodology includes deep online and offline research and discussion with knowledgeable professionals and analysts in the industry.
