

TechCon SoCal Announces Startup Innovation Showcase Finalists for Upcoming Competition

During TechCon SoCal 2025, eight finalists will present their startups in a Shark Tank-style competition to a panel of leading venture capital judges.

SAN DIEGO, CA, UNITED STATES, January 8, 2025 /EINPresswire.com/ -- The organizers of TechCon SoCal 2025 are thrilled to announce the selection of eight finalists who will participate in the Startup Innovation Showcase event, which will be held during the upcoming conference on January 17-18, 2025, in San Diego, California.

The Startup Innovation Showcase finalists are Deepwater Exploration, Site Bionics, Biocanic, Air Surgical, GolTech, Loopholes, InflammSense, and FlyX Technologies. These eight finalists represent an array of cutting-edge tech innovations across industries. They will each have an opportunity to pitch their startup to seven prominent venture capitalists.

The judges and leading investors who will participate in the Startup Innovation Showcase include Chenxi Wang (Rain Capital), Ernie Bio (Forgepoint Capital), Jonathan Hung (Entrepreneur Ventures), Shashank Saxena (Sierra Ventures), Susan Akbarpour (Candou Ventures), Yousuf

Khan (Ridge Ventures), and Rajil Kapoor (Climactic). Each of these judges possesses a track record of entrepreneurial success and thought leadership that will benefit each startup participating in the upcoming showcase.

TechCon SoCal 2025 will highlight today's leading technological advances, including AI, deep tech, semiconductors, data security, consumer tech, IoT, and more, in a format that will include keynote presentations, fireside chats, thought leadership discussions, panel discussions, and exhibits. This event offers the largest gathering of foremost investors, entrepreneurs, and tech industry icons. The Startup Innovation Showcase will feature a platform where audiences can witness novel ideas come to life with pitches from unique startups who are defining the future.

"We are proud to foster the future with the Startup Innovation Showcase. Each finalist will have a chance to pitch their startup just like on Shark Tank in front of a panel of leading venture capitalist judges," said Faisal Mushtaq, Founder and CEO of TechCon SoCal.

TechCon SoCal 2025 will be held at the San Diego State University campus and will feature more than 100 well-known speakers in the tech and entrepreneurial space.
