This program is designed to provide mid-market MBEs (those generating \$10 Million + in annual revenue) with the tools, resources, and funding opportunities they need to thrive in today's competitive market. Through PIN's extensive network of financial institutions and investors, businesses will gain access to personalized funding strategies, application support, and ongoing mentorship.

Program Highlights:

• Funding Expertise: PIN connects businesses with term loans, SBA loans, equipment loans, lines of credit, accounts receivable financing and equity investment opportunities.

- Tailored Solutions: Customized funding strategies to meet each business's unique needs.
- Proven Results: Previous successes include securing over \$5 Million for a transportation company and \$2 Million for a staffing firm.

The WI-MBDA Center is a dedicated advocate for minority-owned businesses and provides access to resources that drive growth, profitability, and sustainability. "We are excited to join forces with PIN to address the financial challenges faced by mid-market MBEs," said Dr. Kamaljit Jackson, WI-MBDA Director.
