

Apex Mobile Power announces Mountain Pro MT-X pro Emergency Energy Storage Battery System

Apex Mobile Power - Custom Battery Pack Manufacturer

SUAWANEE, GA, UNITED STATES, January 10, 2025 /EINPresswire.com/ -- Apex Mobile Power (AMP) is a U.S.-based leader in custom Lithium-Ion battery solutions, headquartered in Suwanee, GA. Poised to support the growing battery manufacturing industry in GA and specializing in high-performance OEM battery packs and chargers, AMP offers end-to-end support for design and production, backed by a dedicated team of engineers and sales professionals based in the United States. With deep expertise across a wide range of Lithium-Ion chemistries, configurations, and safety standards, AMP excels in providing tailored energy solutions that meet the unique needs of our clients. Our state-of-the-art manufacturing facilities in China, and Vietnam are equipped with cutting-edge intelligent manufacturing systems, capable of scaling from small to large-volume production.

At AMP, we prioritize innovation and quality. Our robust R&D capabilities, stringent quality control processes, and strategic partnerships with top-tier battery cell suppliers ensure that we deliver reliable, high-quality products to our customers. We are committed to excellence in every phase—from initial design through to customer service, striving to exceed expectations and drive success for our OEM partners.

AMP offers a comprehensive range of products, including:

- Customized Lithium Battery Packs: Tailored solutions designed to meet specific client requirements.
- Smart Chargers: Advanced charging systems that ensure optimal performance and longevity of battery packs.
- [Energy Storage Systems](#): Efficient and reliable systems for various applications, from industrial to residential use.

Apex Mobile Power - AMP -
Always Current"
