About TAP Air Portugal:

Flying since 1945, TAP Air Portugal is Portugal’s leading airline and the world’s leading airline between Europe and Brazil. A member of Star Alliance since 2005, TAP has its hub in Lisbon, providing unmatched access to Europe, Africa, North, Central, and South America.

TAP offers more than 1,250 weekly flights to 85 cities in 30 countries through its network of

destinations, which includes six airports in Portugal, nine in North America, 14 in Central and South America, 13 in Africa and 43 in Europe (in addition to Portugal).

TAP operates one of the youngest fleets in the world and is committed to offering the best product in the sector for its customers. The Portuguese airline operates a fleet of Airbus' next generation NEO aircraft: A330neo, A321LR, A320neo and A321neo, with superior efficiency and reduced emission levels. TAP also operates 19 Embraer aircraft in its regional fleet (TAP Express). TAP is ranked by Airline Ratings to be one of the 25 safest airlines in the world.
