

Logic20/20 earns ninth consecutive recognition as a Washington Best Company to Work For

Seattle Business Magazine's annual award program recognized Logic20/20 in the Medium Company category

SEATTLE, WA, UNITED STATES, January 13, 2025 /EINPresswire.com/ -- Logic20/20, a business and technology consulting firm, today announced its ninth consecutive recognition as one of Washington's Best Companies to Work For by Seattle Business Magazine. This achievement reflects the company's ongoing commitment to fostering a dynamic, engaging, and supportive workplace culture.

Logicians celebrate nine years as a Seattle Business Magazine Best Company To Work For.

Logic20/20 stands out for its innovative approach to hybrid collaboration, offering employees opportunities to engage through creative events like trivia nights, candle making, and community beach cleanups. These activities, paired with cutting-edge client projects, cultivate a culture of “we” and teamwork for Logicians across the country.

“

Logicians remain the core of everything we do. To be recognized for the ninth year in a row demonstrates the talent, energy, and commitment of our teams and our partners.”

Christian O'Meara

“Logicians remain the core of everything we do,” said CEO Christian O'Meara. “To be recognized for the ninth year in a row demonstrates the talent, energy, and commitment of our teams and our partners. From expanding what's possible with emerging technologies in the utilities space to making a positive impact in our communities through volunteer and fundraising efforts, we continue to re-define

what it means to be a ‘best company’ in Washington and beyond.”

Seattle Business Magazine's annual award highlights organizations excelling in workplace policies, practices, and employee satisfaction. Rankings are determined through comprehensive

surveys and evaluations, emphasizing employee feedback.
