

UNITY CHICAGOLAND REACHES LEVEL FOUR OF NATIONAL PROGRAM TO PROVIDE VETERAN-CENTRIC HOSPICE CARE

SKOKIE, IL, UNITED STATES, January 9, 2025 /EINPresswire.com/ -- [Unity Hospice and Palliative Care](#) is proud to announce that its [Chicagoland](#) office has achieved Level 4 Partner status with [We Honor Veterans](#), a program of the National Hospice and Palliative Care Organization (NHPCO). Unity's Chicagoland office now joins its Greater St. Louis and Northern Illinois counterparts as Level 4 Partners.

We Honor Veterans was launched in 2010 by NHPCO in collaboration with the Department of Veterans Affairs to address the growing need for Veteran-centered end-of-life care, especially as Veterans continue to age and require access to high-quality, specialized hospice and palliative care. Unity Hospice and Palliative Care's six locations are longstanding partners of the We Honor Veterans program.

“

Unity is honored to achieve Level 4 in the We Honor Veterans program, reflecting our commitment to compassionate, Veteran-centered hospice and palliative care for those who have served.”

Brenda McGarvey, Director of Program Development

As a Level 4 partner, Unity participates in numerous activities to improve its capacity to provide Veteran-centric care at the end of life. Activities include integrating Veteran-specific staff education, collaborating with community organizations, ensuring best-practice standards for identifying and serving Veterans in hospice and palliative care, and implementing procedures for continuously reviewing and improving Veteran-centered care.

That heart and soul still flow through Unity's family-owned and operated agency, which provides hospice and palliative care in Chicagoland, Northern Illinois, Northwest Indiana, Greater St. Louis, and Greater Houston.
