

CIE Manufacturing CEO Trevor Ash Re-Elected as Chairman of the IANA Board of Directors

Trevor Ash, CEO of CIE Manufacturing, Re-Elected as Chairman of the IANA Board of Directors, Continuing Leadership in Intermodal Innovation for 2025.

SOUTH GATE, CA, UNITED STATES, January 9, 2025 /EINPresswire.com/ -- The Intermodal

“

Trevor's re-election as Chairman of the Board at IANA is a testament to his dedication, expertise, and impact on the intermodal industry.”

Ben Evans - VP Sales and Marketing

Association of North America (IANA) has announced its 2025 Board of Directors and Officers. CIE Manufacturing is proud to share that Trevor Ash, CEO of CIE Manufacturing, has been re-elected as the Chairman of the Board, a position he will continue to hold throughout 2025.

Trevor Ash's extensive intermodal career spans over two decades, marked by outstanding achievements and leadership. Joining CIE Manufacturing (formerly CIMC Intermodal Equipment) in 2016, Ash has played a pivotal role in driving the company's success as a global leader in

[intermodal chassis](#) manufacturing. His earlier experience includes a tenure at Top Lift Enterprises and leadership roles focused on strategic growth, revenue generation, and operational excellence.

Under Ash's leadership, CIE Manufacturing continues to thrive as a customer-centric organization with a focus on innovation and providing best-in-class products in the intermodal chassis and [container trailer](#) industries.

"Trevor's re-election as Chairman of the Board at IANA is a testament to his dedication, expertise, and impact on the intermodal industry. His leadership at CIE Manufacturing reflects his unwavering commitment to innovation and success," said Ben Evans, VP Sales and Marketing at CIE Manufacturing.
