

Heranova Lifesciences Announces 2025 Conference Schedule

BOSTON, MA, UNITED STATES, January 9, 2025 /EINPresswire.com/ -- [Heranova](#) Lifesciences Holding Ltd. ("Heranova"), a leader in advancing non-invasive diagnostics and reproductive health solutions, today announced its planned participation in key investor and women's health conferences scheduled for 2025.

"These events present meaningful opportunities to engage key stakeholders within the medical and investor communities," said Penny Wan, Co-Founder and Chairwoman of Heranova Lifesciences. "We have made significant progress on our lead-product, HerResolve, a non-invasive, blood-based diagnostic test for endometriosis and we are looking forward to sharing our updates at these events."
