EQ Logistics, Reedy Drive, Elkhart, IN location

Elkhart, IN, January 8, 2025 – EQ Logistics is thrilled to announce the expansion of our warehouse capacity with an additional 50,000 square feet of ambient food grade storage space. This significant enhancement underscores our commitment to providing comprehensive and flexible storage solutions to our valued customers.

“

This expansion is a testament to our dedication to continuous improvement and our mission to provide the best possible service.”

Jason Loose, COO at EQ United

The new expansion of ambient food grade storage space is designed to accommodate a wide range of products, ensuring that we can meet the diverse needs of our clients. This expansion allows us to offer even more efficient and reliable services, reinforcing our position as a leader in the warehousing and logistics industry.

“We are excited to offer this new storage capacity to our customers,” said Jason Loose, COO at EQ United, EQ

Logistics parent company. “This expansion is a testament to our dedication to continuous improvement and our mission to provide the best possible service. We are committed to supporting our customers' growth and success by offering everything we possibly can.” The additional warehouse space is now fully operational and ready to serve our customers' storage needs. We invite our clients and partners to take advantage of this new capacity and

experience the enhanced service and quality that EQ Logistics is known for.
