

ABUKAI to Assist with Expense Tracking for Disaster Relief

ABUKAI, a leading provider of expense management, offers victims from the January 2025 California wildfires a free one-year ABUKAI Individual Account.

SAN FRANCISCO, CA, UNITED STATES, January 10, 2025 /EINPresswire.com/ -- [ABUKAI](#), a leading provider of innovative expense management solutions, offers people who have suffered from the January 2025 California wildfires a free one-year ABUKAI Individual Account (value \$99).

Individuals losing their homes have many things to think about. Documenting and tracking [expenses](#) may not be top of mind, but is an immediate requirement in order to recover funds from insurance and possible disaster agency assistance as quickly as possible. With ABUKAI, users can easily document all the expenses incurred by just taking pictures of any receipt and forwarding any electronic receipts. ABUKAI then automatically fills out the necessary expense reports and tracks the expenses for you. ABUKAI recognizes key fields like date, amount, vendor and classifying expenses as may be required and turns the data into professional looking expense reports. ABUKAI helps businesses and people document their spending in order to get reimbursed faster.

“

Insurance companies & relief agencies require proof of expenses to distribute funds. Given the unprecedented fires, we wanted to extend a special offer to help people rebuild their homes and lives.”

Philipp Schloter

“Insurance companies and relief agencies require proof of expenses before distributing funds. Now more than ever, it is vital to appropriately document all expenses to not risk cashflows drying up! During the recent hurricane season, many people told us how ABUKAI helps them track their expenses for insurance purposes. Given the unprecedented events in California, we

wanted to extend a special offer to help people rebuild their homes and lives.” said Philipp Schloter, President & CEO of ABUKAI.
