TOKYO, JAPAN, January 16, 2025 /EINPresswire.com/ -- Prime 1 Studio's high-end brand, PRIME 1 STATUE, announces the release of a 1/3 scale polystone statue of Kratos, the protagonist from God of War: Ragnarok, as part of its Real Elite Masterline series. Pre-orders open today, January 16, 2025, and the product is scheduled for release between April and July 2026.

Standing at a height of 95 cm, this 1/3 scale statue captures Kratos's distinctive features. The LED-lit eyes of Mimir, along with detailed sculpting, painting, and functional features, have been meticulously crafted.

The custom base is designed to evoke the landscapes of Norse mythology, featuring a defeated Dreki.

The Ultimate Bonus Version includes an alternate expression showcasing Kratos's rage, the Stone Wall Shield, a folded Guardian Shield, fully upgraded versions of the Leviathan Axe and Blades of Chaos, as well as the Draupnir Spear.

With these exclusive parts, the Ultimate Bonus Version offers versatile display possibilities.
