

From Brisbane, Australia, Siena Larsson Lands the #1 Song on Music's Leading Platform for Indie Artists

BRISBANE, AUSTRALIA, January 10, 2025 /EINPresswire.com/ -- [aBreak Music](https://aBreakMusic.com), music's leading global indie artist discovery platform, announces that 'Convenient' by Siena Larsson is the new #1 on the aBreak58. Check it out at aBreakmusic.com.

For as long as she can remember, Australian artist Siena Larsson has been singing and writing music to express herself. What started as her own personal escape quickly became a way to connect with people through shared emotions and experiences. Recognized for her heartfelt and honest lyrics that fans of Maisie Peters and Sabrina Carpenter will love, Siena's song 'Convenient' is her most recent single and will appear on her upcoming EP later this year.

"Music has always been an insanely important healing tool for me," says Siena Larsson. "It's allowed me to recover from difficult relationships. When I know my songs have helped others do the same, it gives me the strength to show my vulnerability, which hasn't always been easy. I wrote 'Convenient' for anyone who has ever felt like they aren't a priority to someone they love. Love is always a two-way street; the right person will be there for you even when it's not convenient.

I really love and believe in the music I'm creating and just knowing that a platform as influential and supportive as aBreak Music believes in me, too, is so special. I am so grateful to the aBreak team and I'm excited to see where this leads - what an incredible way to start 2025!"

Every two weeks, aBreak Music releases their aBreak58 playlist featuring the top 58 songs uploaded from indie artists representing multiple genres from around the world. These songs
