

Gentleness by Kuan Ting Liu Wins Iron A' Design Award in Interior Space and Exhibition Design Category

Kuan Ting Liu's Residential House Design, Gentleness, Earns Esteemed Recognition in the A' Interior Space and Exhibition Design Awards

COMO, CO, ITALY, January 10, 2025 /EINPresswire.com/ -- The A' Design Award, a highly respected recognition in the field of [interior](#) design, has announced [Kuan Ting Liu's](#) residential house design, Gentleness, as a winner of the Iron A' Design Award in the Interior Space and Exhibition Design category. This prestigious accolade positions Gentleness as a notable example of exceptional design within the interior design industry, showcasing Kuan Ting Liu's skill and innovation.

Gentleness

The Iron A' Interior Space and Exhibition Design Award recognizes designs that demonstrate relevance to current trends and needs within the interior design industry. Gentleness aligns with the evolving demands for safe, welcoming, and aesthetically pleasing residential spaces that cater to the needs of multiple generations living under one roof. By addressing these practical considerations, Kuan Ting Liu's design offers a valuable contribution to the field.

Gentleness stands out for its innovative use of arc shapes and carefully selected materials to create a sense of warmth and comfort. The design team thoughtfully incorporated curved elements in the ceilings, walls, and corners of the cabinets to evoke a feeling of being embraced, while the light grey Germany mineral paint provides a soft, inviting texture. These unique features not only enhance the visual appeal of the space but also prioritize the safety and well-being of the family members, particularly the child and the elderly.

Receiving the Iron A' Design Award serves as a significant milestone for Kuan Ting Liu and their design team, inspiring them to continue pushing the boundaries of interior design. This recognition validates their approach to creating spaces that prioritize the needs and well-being of the inhabitants while maintaining a high standard of aesthetics and functionality. As Gentleness gains international exposure through this award, it has the potential to influence future residential design projects and contribute to the ongoing evolution of the interior design industry.

Gentleness was designed by Kuan Ting Liu, who led the project and conceptualized the unique arc-shaped elements and color scheme.
