

Bixdo K30 Kids by Bixdo (SH) Healthcare Technology Co.,Ltd Wins Iron in A' Beauty and Cosmetics Industry Awards

*Innovative Children's Oral Irrigator
Featuring Advanced Sensing Technology
Honored for Excellence in Beauty and
Cosmetics Product Design*

COMO, CO, ITALY, January 10, 2025 /EINPresswire.com/ -- The A' Design Award, a highly respected and well-recognized award in the field of [cosmetic product](#) design, has announced [Bixdo \(SH\) Healthcare Technology Co.,Ltd](#) as a winner in the Beauty, Personal Care and Cosmetic Products Design category for their innovative Bixdo K30 Kids oral irrigator. This prestigious recognition highlights the significance of the Bixdo K30 Kids design within the cosmetic product industry, acknowledging its outstanding features and contributions to advancing oral care for children.

The Bixdo K30 Kids oral irrigator stands out as a highly relevant and beneficial product in the cosmetic industry, addressing the specific needs of children aged 3 to 14. By incorporating advanced sensing technology and innovative design elements, this oral irrigator aligns with current trends in child-friendly oral care solutions while providing practical benefits for both users and industry stakeholders. Its unique features contribute to improved oral hygiene habits and overall well-being for young users.

What sets the Bixdo K30 Kids apart is its industry-first utilization of top-level sensing technology, ensuring a safe and effective oral care experience for children. The irrigator automatically stops the water jet when it senses a certain distance from the lower jaw, preventing any potential threats to the child's safety. Additionally, its long-lasting battery life allows for up to a year of use

on a single charge, while the automatic sterilization function during charging ensures a high level of hygiene with a 99.99% effectiveness rate.

Winning the Iron A' Design Award serves as a testament to Bixdo (SH) Healthcare Technology Co.,Ltd's commitment to innovation and excellence in the cosmetic product industry. This recognition not only validates the design's merits but also inspires the company to continue pushing boundaries and exploring new possibilities in oral care solutions for children. By setting a high standard with the Bixdo K30 Kids, Bixdo (SH) Healthcare Technology Co.,Ltd aims to drive further advancements and inspire other industry players to prioritize child-friendly, safe, and effective oral care products.

Bixdo K30 Kids was designed by a talented team at Bixdo (SH) Healthcare Technology Co.,Ltd, including Chengshen Tan, Ningning Zhao, Sun Mingzi, and Yixin Huang, who collaborated to bring this innovative oral irrigator to life.
