

FabTab revolutionizes home cleaning with eco-friendly, non-toxic solutions

NEW YORK, NY, UNITED STATES, January 10, 2025 /EINPresswire.com/ -- FabTab, a pioneering company in sustainable home care, is proud to announce the launch of its innovative line of eco-friendly, non-toxic cleaning products designed to keep homes sparkling clean while safeguarding the health of families and the environment.

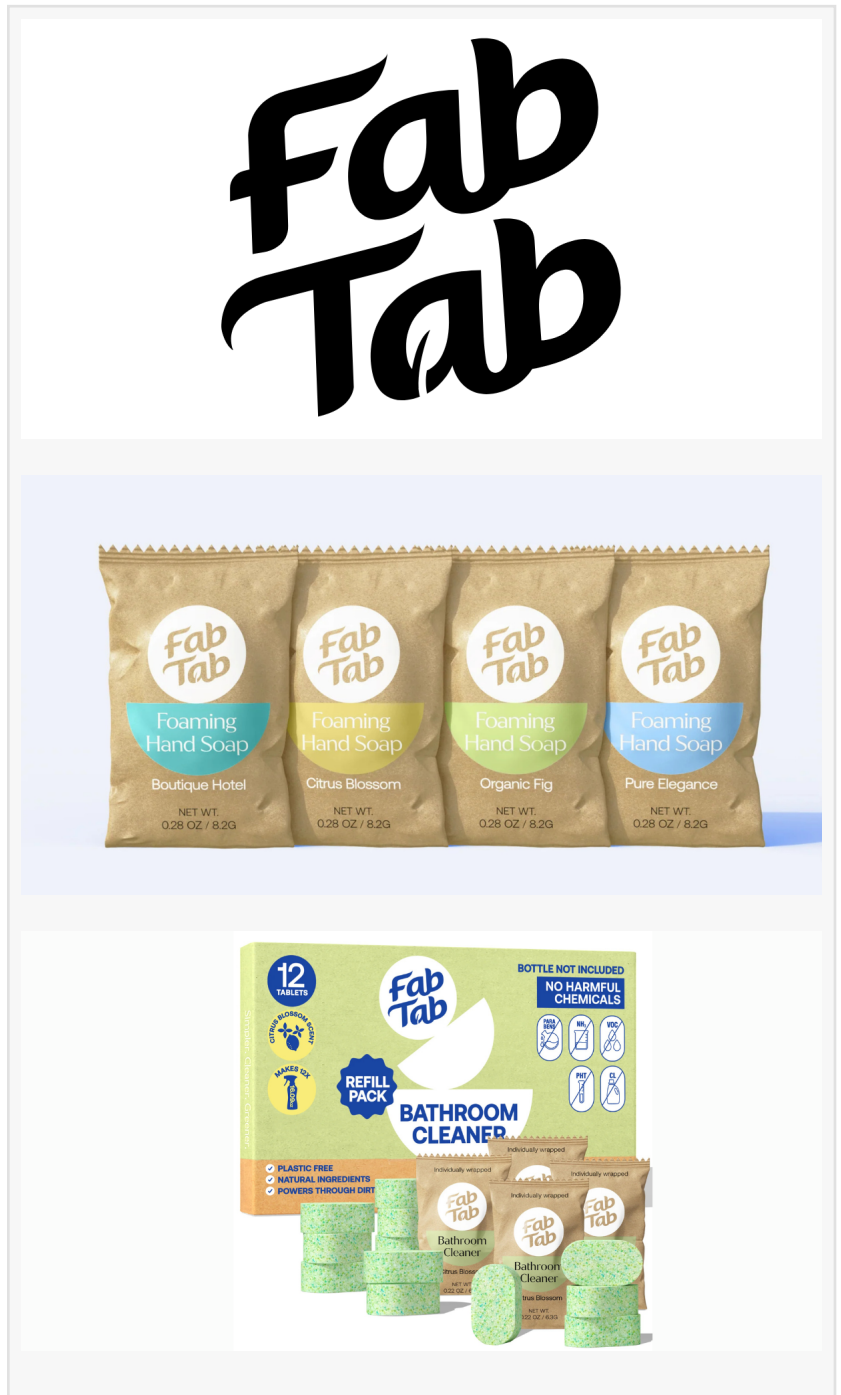

A new era in home cleaning

FabTab was born out of a desire to eliminate the clutter of toxic cleaning products and their harmful ingredients from households. The company's mission is to redefine home care by offering effective cleaning solutions that are safe for both people and the planet. From [toilet bowl cleaner tablets](#) that keep bathrooms fresh to [dishwasher pods](#) that cut through stubborn grease, FabTab provides a comprehensive range of solutions for every cleaning need.

Innovative product line

FabTab's product range includes:

Dishwasher tablets & plastic-free dishwasher pods: Powerful, plastic-free dishwasher solutions that cut through grease and grime while being safe for the environment.

Toilet bowl cleaner tablets: Non-toxic, easy-to-use tablets that effectively clean and deodorize toilets without harmful chemicals.

[Eco-friendly laundry detergent](#) & laundry tablets: Plastic-free, plant-based laundry solutions that are gentle on fabrics and tough on stains, including convenient laundry detergent pods for mess-free washing.

Foaming hand soap & non-toxic hand soap: Gentle, plant-based formulas designed to cleanse hands effectively while being safe for sensitive skin and free of harsh chemicals.

Commitment to sustainability

All FabTab products are packaged in environmentally conscious materials, significantly reducing plastic waste. The company's dedication to sustainability extends to its manufacturing processes, ensuring minimal environmental impact.

Customer-centric approach

FabTab offers a subscription service, providing customers with regular deliveries of their chosen products at discounted rates. This convenient option ensures that households never run out of essential cleaning supplies while enjoying cost savings.

About FabTab

FabTab is committed to transforming the home care industry by providing safe, effective, and eco-friendly cleaning solutions. With a focus on transparency and quality, FabTab ensures that every product is free from harmful chemicals, protecting the well-being of families and the environment. Their eco-friendly laundry detergent is just one example of how FabTab combines sustainability with powerful cleaning performance.
