Second-Annual "Tech Over Tapas" Fundraiser Brings Innovation and Opportunity to San Diego's Tech Scene

Empowering Youth in STEM: A Night of Innovation, Networking, and a Robot Derby to Support Greater Than Tech's Mission across San Diego.

SAN DIEGO, CA, UNITED STATES, January 10, 2025 /EINPresswire.com/ -- Greater Than Tech (GTT), a trailblazing San Diego-based nonprofit advancing diversity, equity, and inclusion in STEM, invites the community to its second-annual Tech Over Tapas fundraiser. This highly anticipated event, set to take place on Wednesday, January 15, 2025, at the renowned Mingei Museum, promises an evening of inspiration and innovation.

> "Tech Over Tapas celebrates the power of community to break barriers and create opportunities in tech. We are creating pathways and providing students with the tools to achieve their dreams."
>
> *Jasmine LeFlore, Executive Director*

Recently awarded an Equity Impact Grant from the San Diego County Office of Equity and Racial Justice, GTT continues to lead efforts to create equitable access to careers in tech and entrepreneurship. Tech Over Tapas aims to raise critical funds to support GTT's immersive STEM programs, which empower underserved youth to excel as the future leaders of STEM industries. Attendees will enjoy an engaging cocktail reception, powerful presentations, and a showcase of GTT's transformative impact over the past year.

"Tech Over Tapas celebrates the power of community to break barriers and create opportunities in tech," said Jasmine LeFlore, Executive Director and Co-Founder of Greater Than Tech. "With every ticket sold and every sponsor engaged, we are creating pathways and providing students with the tools to achieve their dreams."

Event Details:
Date: Wednesday, January 15, 2025
Time: 5 - 8 PM
Location: Mingei Museum, 1439 El Prado, San Diego, CA 92101

Tickets are available for $100 and include drinks and tapas. Sponsorship opportunities are also available for organizations wishing to amplify their impact.

This year's event is made possible by the generous support of GTT's sponsors, including: Quartus Engineering, U.S. Bank and the PNC Foundation. Event proceeds will fund GTT's innovative programs, including scholarships for an immersive, study-abroad STEM experience in Japan, as well as other enrichment initiatives that equip students with vital business and technical skills.
