

# Louisiana Mesothelioma Victims Center Appeals to the Family of a Former Construction Worker with Mesothelioma or Lung Cancer in Louisiana to Call the Gori Law Firm-Expect Better Compensation Results

NEW ORLEANS , WA, UNITED STATES, January 16, 2025 /EINPresswire.com/ -- The Louisiana Mesothelioma Victims Center is appealing to the family of a current or former construction worker with mesothelioma or asbestos exposure lung cancer anywhere in Louisiana to please make financial compensation a top priority and call the Gori Law Firm at 866-532-2106. The Gori Law Firm has an office in New Orleans, they have decades worth of experience assisting construction workers who have developed mesothelioma or asbestos exposure lung cancer, and they consistently get top compensation results for their clients.

The group says, "We have dozens of friends who have worked in the construction industry in Louisiana and we know even today asbestos is still in most homes or commercial buildings that were built before 1983 in the state. Prior to 1983 a construction worker in Louisiana would have had routine exposure to asbestos. The most at risk groups include carpenters, plumbers, insulators, HVAC installation crews, electricians, laborers, roofers and flooring or carpet lawyers.

"If your husband or dad is a current or former construction worker with just diagnosed mesothelioma or lung cancer anywhere in Louisiana, please call the Gori Law Firm at 866-532-2106. The Gori Law Firm has no equal in Louisiana when it comes to compensation results for

people with mesothelioma or asbestos exposure lung cancer."
