

airSlate SignNow Launches Seamless eSignature Integration for Acumatica ERP Users

BOSTON, MA, UNITED STATES, January 13, 2025 /EINPresswire.com/ -- airSlate, a global SaaS company that serves millions with its no-code workflow automation and document management solutions, has launched an integration of its leading eSignature solution, SignNow, with Acumatica, the award-winning cloud ERP platform. The SignNow integration empowers Acumatica users to seamlessly manage, send, and sign documents directly within their ERP system, simplifying workflows and enhancing efficiency.

Through this integration, businesses can benefit from legally binding eSignatures embedded in their daily operations without the need to switch between platforms. Acumatica users now have

“

This integration further strengthens our mission to provide businesses with cutting-edge eSignature solution to help them reduce cost, increase productivity & create avenues to drive more innovation”

John Midtbo, VP of Global Channels and Alliances

the ability to simplify complex workflows, reduce manual errors, and focus on core business priorities with confidence. Users can easily send documents for signature, track their status in real-time, and ensure compliance with industry regulations, all while leveraging SignNow’s robust security measures, including 256-bit encryption and SOC 2 Type II compliance.

This integration was developed in collaboration with [Sleek Code](#), a premier software development company recognized for its expertise in building seamless solutions. Their partnership with airSlate SignNow has resulted in a powerful integration that extends Acumatica’s functionality and ensures an intuitive, user-friendly experience for

businesses.

"We are thrilled to bring the power of airSlate SignNow to Acumatica users together with Sleek Code," said [John Midtbo](#), VP of Global Channels and Alliances at airSlate. "This integration further strengthens our mission to provide businesses of all sizes with cutting-edge eSignature solutions that help them reduce cost, increase productivity, and create avenues to drive more innovation within their industries"

The airSlate SignNow integration for Acumatica is now available. For more information about how this integration can transform your workflows, visit <https://www.signnow.com/integrations/acumatica-cloud-erp>.
