

# Yolo County Partners with Beacon Bid to Modernize Procurement and Boost Supplier Engagement

AUSTIN, TX, UNITED STATES, January 14, 2025 /EINPresswire.com/ -- Beacon Bid is excited to announce that Yolo County, CA, has chosen its E-Procurement platform to enhance its supplier engagement and bidding processes. This partnership reflects Yolo County's commitment to modernizing procurement and providing efficiency for suppliers and county stakeholders alike.

Suppliers interested in partnering with Yolo County can easily register for upcoming notices and updates through the county's [dedicated registration page](#). Registration is completely Free for all suppliers.

“

Our platform's intuitive interface and robust supplier network will empower Yolo County to streamline its procurement processes and foster stronger connections with suppliers.”

*Stephen Hetzel, CEO*

“We are excited to welcome Yolo County to the Beacon Bid family,” said Stephen Hetzel, CEO of Beacon Bid. “Our platform's intuitive interface and robust supplier network will empower Yolo County to streamline its procurement processes and foster stronger connections with suppliers.”

Jim Ward, Implementation Director at Beacon Bid, added, “This new collaboration with Yolo County demonstrates the growing recognition of Beacon Bid's innovative solutions

within the procurement community. We are honored to provide the team and tools necessary to support Yolo County's mission of operational excellence.”

Beacon Bid's platform will enable Yolo County to publish solicitations, improve communication with current suppliers, engage with a broader pool of qualified suppliers, and receive secure and compliant supplier bids and proposals more efficiently than ever before. Suppliers will benefit from Free access to one of the most comprehensive networks in the market, ensuring seamless

connectivity with county procurement opportunities.

#### About Beacon Bid

Beacon Bid is an Austin-based technology company leading the way in procurement innovation. The platform allows government agencies to publish solicitations, engage suppliers, and collect responses with ease. Featuring one of the industry's most extensive searchable databases of RFP specifications, market research tools, cooperative contracts, and AI-driven solicitation generation tools, Beacon Bid empowers agencies to achieve unparalleled efficiency and success.
