

RE•WORK Announces AI in Finance Summit NY 2025 in New York, NY

NEW YORK, NY, UNITED STATES, January 13, 2025 /EINPresswire.com/ -- RE•WORK is excited to announce the AI in Finance Summit NY 2025, scheduled for April 15-16, 2025, in the financial capital of the world, New York City. This premier event will bring together leading minds in artificial intelligence, machine learning, and finance to explore the latest advancements and applications of AI within the financial sector.

As the finance industry continues to embrace AI-driven transformation, the AI in Finance Summit provides a vital platform for professionals to stay ahead of the curve. From predictive analytics to fraud detection and algorithmic trading, the event will showcase cutting-edge solutions revolutionizing the financial landscape.

Key Highlights of the Event:

- **Innovative Case Studies:** Discover real-world AI applications in finance from leading institutions and fintech disruptors.
- **Expert Panels and Keynotes:** Gain insights from AI pioneers and industry leaders as they discuss trends, challenges, and opportunities in AI-powered finance.
- **Interactive Networking Opportunities:** Connect with data scientists, technologists, and C-level executives shaping the future of finance.
- **Workshops and Deep Dives:** Participate in hands-on sessions to explore technical advancements and practical implementations.

Confirmed [Speakers](#) Include:

- John Chan – Director of Technology (AI/ML), Raymond James
- Tushar Chahal – Chief Technology Officer, Numisma Bank
- Sonia Bhargava – VP, Software Engineering, Bank of AmericaAI

[Why Attend?](#) The AI in Finance Summit NY 2025 is the ultimate event for finance professionals, data scientists, and AI enthusiasts looking to leverage technology for competitive advantage. Attendees will leave equipped with actionable strategies to implement AI effectively and ethically within their organizations.
