

Nashville's Ridge Banks Ignites 2025 with New Single 'Blues Catcher'

NASHVILLE, TN, UNITED STATES, January 13, 2025 /EINPresswire.com/ -- Following a triumphant year capped by the prestigious "US Artist of the Year" from Elite Music Awards, Nashville singer-songwriter [Ridge Banks](#) is lighting the New Year ablaze with his new single "[Blues Catcher](#)". This infectious 'happy blues' track features a powerhouse lineup of musicians from both Nashville and the UK.

The Wall of Sound collective hold nothing back in this all-out blues jam showcasing Micah Nortrup's percussive dynamics, David Young's soulful lead, rhythm and bass guitar along with Taylor Tuke's driving honky-tonk piano.

The dueling harmonicas of Sean Clutterham's and Ridge Banks send this song to another level culminating in a memorable sing-along ending that embodies Banks' signature "Rugged Acoustic" sound. Legendary international singer-songwriter, Rattlesnake Annie, reflects on "the first time I saw Ridge Banks perform on stage, I was blown away by his soulful voice, extraordinary guitar skills, and his ability to captivate the audience."
