

Corinium Global Intelligence Announces CDAO Fed Ready Summit Q1 2025 in Washington D.C.

WASHINGTON, DC, UNITED STATES, January 13, 2025 /EINPresswire.com/ -- Corinium Global Intelligence is proud to announce the return of the [CDAO Fed Ready Summit Q1 2025](#), scheduled for March 5, 2025, in Washington D.C. This exclusive one-day event will bring together 50 senior-level data, analytics, and AI executives from U.S. government agencies to explore key strategies and innovations in preparation for 2025.

As federal agencies continue to navigate the complexities of data modernization and AI implementation, the CDAO Fed Ready Summit Q1 2025 provides a unique platform to address these challenges head-on. Through collaborative discussions and expert-led sessions, attendees will gain actionable insights to enhance mission-critical outcomes.

Key Highlights of the Event:

Expert-Led Discussions: Hear from prominent leaders in data, analytics, and AI within the federal sector.

Roundtable Sessions: Participate in focused discussions on AI opportunities and challenges, data governance, and leveraging analytics for strategic decision-making.

Tailored Content: Address the unique priorities of government agencies, including compliance, security, and innovation.

Networking Opportunities: Connect with peers and thought leaders to foster collaboration and share best practices.

Confirmed Participants Include:

Dr. Delester Brown Jr. – Chief Data & AI Officer, National Guard Bureau
Mangala Kuppa – CTO & Chief AI Officer, U.S. Department of Labor

Trent Fuenmayor – Bureau Chief Data Officer, U.S. Department of State

Why Attend? The CDAO Fed Ready Summit Q1 2025 is designed exclusively for government data, analytics, and AI leaders looking to stay ahead of technological advancements and policy shifts. Attendees will leave with the insights and tools needed to drive innovation and achieve strategic goals.
