

Sunlight by Si Yun Chen Wins Iron A' Design Award in Interior Space and Exhibition Design Category

Si Yun Chen's Exceptional Residential Design, Sunlight, Receives International Recognition in the A' Interior Space and Exhibition Design Awards

COMO, CO, ITALY, January 14, 2025 /EINPresswire.com/ -- The A' [Design Award](#), a highly respected international design competition, has announced [Si Yun Chen's](#) residential design, Sunlight, as a winner of the Iron A' Design Award in the [Interior](#) Space and Exhibition Design category. This prestigious recognition highlights the exceptional quality and innovation of Chen's work within the interior design industry.

Sunlight's award-winning design showcases the importance of creating comfortable and functional living spaces that seamlessly blend with the surrounding environment. By incorporating natural elements and a soothing color palette, Chen's design demonstrates the power of interior design to enhance the quality of life for residents while setting new standards for the industry.

The Sunlight residential design features an open and inviting layout that effortlessly connects the living room, study, and kitchen areas. The skillful use of gray, white, and wood grain colors creates a soft and warm Nordic-inspired atmosphere, while the strategic placement of furniture defines distinct functional zones within the space. The design also incorporates a beam adorned with wood grain décor, which not only adds visual interest but also cleverly divides the leisure and entertainment areas.

Receiving the Iron A' Design Award serves as a testament to Si Yun Chen's dedication to pushing

the boundaries of interior design and creating spaces that prioritize both aesthetics and functionality. This recognition is expected to inspire Chen and the CY Interior Design team to continue their pursuit of innovation and excellence in future projects, further contributing to the advancement of the interior design industry.

Sunlight was designed by Si Yun Chen, the founder of CY Interior Design.
