

New Caribbean-Food Website's Free Ground-Shipping Promotion Ends Soon; Affiliate Program Offers Generous Commission

Promotion Expires on the Last Day of January

WEST HEMPSTEAD, NY, UNITED STATES, January 15, 2025 /EINPresswire.com/ -- The free ground-shipping promotion announced earlier this month by Caribbean food retailer Sam's Caribbean Marketplace is nearing its end. The Long Island, New York retailer announced the offer with the recent launch of its newly-designed website, Sams24-7.com. Customers who spend \$100 or more online can still enjoy this rare opportunity by using the coupon code "FREE GROUND SHIPPING" at checkout. The offer ends promptly at 11:59 pm on January 31, 2025, and it excludes products that require expedited shipping.

Andrew and Jean Morris, co-founders of Sam's Caribbean Marketplace, the Caribbean Food super store.

Andrew Morris, Jamaican native and CEO of Long-Island based Sam's Caribbean Marketplace, described the free-shipping offer as rare: "Free shipping of Caribbean food products is generally not practical because of the low margins and heavy weight associated with these products. We trust that customers will take advantage of this rare offer while it lasts."

Morris added, "We at 'Sam's' are passionate about Caribbean food. That's why in 1993 my wife, Jean, and I opened our doors with one goal in mind: to make the best Caribbean food accessible to shoppers on Long Island and in New York City. As we grew, we developed a website over twenty years ago and expanded our reach to the entire USA and to the rest of the world. Our mission motivates us every day as we strive to serve our customers better." He continued, "While shoppers browse Sams24-7.com, they will quickly discover one of the largest selections of authentic Caribbean food products anywhere."

Besides the free-shipping promotion, Sam's Caribbean is excited to introduce its new Caribbean Ambassador Affiliate Program. Affiliates can earn a generous 10% commission when family,

"Our Caribbean Ambassador Program is seeking to recruit a small army of influencers, bloggers, vloggers, or anyone with a social media presence and a fan-base," Morris explained. "The main requirement is that you are as passionate about Caribbean food as we are at Sam's Caribbean. This program is an excellent way for our Caribbean Ambassadors to share a diverse range of Caribbean food products while earning attractive rewards, even while they are asleep," he said.
