ALBUQUERQUE, NM, UNITED STATES, January 21, 2025 /EINPresswire.com/ -- [Lap of Love](#) Veterinary Hospice & In-Home Euthanasia, a trusted provider of compassionate end-of-life care for pets, is pleased to announce the expansion of its services to assist pet families in Albuquerque, New Mexico, under the expert care of Dr. Dana Powers. Committed to ensuring a dignified and supportive end-of-life journey for all pets and their families, our skilled veterinarians offer guidance through the final stages of a pet's life, including quality-of-life assessments, pain and anxiety management, and end-of-life consultations.

Dr. Dana Powers

"I've been practicing veterinary medicine for eight and a half years. I loved working in general practice, but was really drawn to end-of-life care due to experiences in my own life with aging and hospice care of loved ones," said Dr. Powers. "Being able to help families give their beloved pets a peaceful passing at home is why I really wanted to join Lap of Love. I want to be there to give families the support they need while dealing with one of the hardest times in any pet owner's life—saying goodbye to a loved one."

Lap of Love provides the following services in Albuquerque:

Telehospice: Telehospice services provide general guidance for concerned pet parents. A Lap of

Love veterinarian will meet with you via Zoom or phone to assess your pet's quality of life and make suggestions to make it more comfortable.

In-Home Hospice: An in-home consultation with a Lap of Love veterinarian is ideal for pet parents who need reassurance they're doing all they can for their pet before saying goodbye. Primary focuses include pain recognition, symptom management, and maintaining your pet's happiness.

In-Home Euthanasia: Lap of Love provides peaceful, in-home euthanasia to ensure a pet's final moments are spent at home with their family in their most comfortable and familiar environment.

Pet Loss Support: Lap of Love offers complimentary and fee-based Pet Loss Support services in individual and small-group formats to help families cope with grief. Anyone who has experienced the loss of a pet is welcome.
