About the Author

Terry Williams brings authenticity to this journey, having overcome his own struggles with self-sufficiency and alcohol dependency. After years of living a cycle of dependency, Williams found himself searching for a new way. He recounts, “I was living to drink and drinking to live. I was sick and tired of the life I was taught to endure.” Through a series of transformative experiences, Williams was guided on a path that led him to stop trusting in and yielding to his old self-reliant ways of living and discovered if he would only trust God as a 2,3,4,5 years old child trusts their loving parents, he found the power of God’s love and his divine persuasion would see him through any and all situations he could and still does to this day face in his life.

Terry Williams' book "Trusting in and Yielding to Him Who is Love" is more than a self-help guide; it is a testament to faith and an invitation to let go of life's heavy burdens. For those seeking spiritual renewal and freedom from the weight of self-reliance, Williams offers a pathway filled with love, hope, and profound peace.

Terry Williams was deeply moved by the Lord's guidance to share his journey of spiritual renewal and freedom. Inspired to write "Trusting in and Yielding to Him Who is Love", along with three additional books, Williams felt a profound calling to help others discover the peace, freedom and purpose that can and does come from trusting in and yielding to God's will for his life just as any 2,3,4,5 years old child does towards their loving parents. Through these works, Williams hopes readers will find encouragement to embrace God's love, trusting that they are dearly cared for. With

each book, he seeks to help others experience the richness of a life led by divine guidance, in every area, so they too can accomplish and embrace all the Lord has planned for them.
