

Businesswoman Dr. Linda Pajoel Launches Investornomy Podcast to Spotlight Female Investment Experts Worldwide

A Global Initiative Empowering Women to Invest with Confidence and Amplifying Female Leadership in the Financial World

ONTARIO, CANADA, January 15, 2025 /EINPresswire.com/ -- Dr. Linda Pajoel, a leading advocate for women's financial empowerment and the CEO and founder of Investornomy, has announced the launch of the Investornomy Podcast. This groundbreaking video podcast is part of Investornomy's global mission to equip working women with the tools to build financial security, while spotlighting the expertise of trailblazing female leaders in the investment world.

Dr Linda Pajoel, CEO & Founder of Investornomy

As a social enterprise, Investornomy is dedicated to bridging the gender gap in investing by educating and empowering women to take control of their financial futures. The Investornomy Podcast extends this mission by creating a global platform where female investment experts can share their knowledge, inspire others, and amplify their voices in a traditionally male-dominated industry.

“

Women belong at the forefront of the investment world”

Dr Linda Pajoel

Each episode of the Investornomy Podcast is strategically distributed to over 200 million users through strategic distribution partnerships. These partnerships ensure each vodcast episode gains visibility on leading global news platforms, including Yahoo, Google, Bing, Benzinga, Associated Press, and more than 1,000 other outlets. This ensures unparalleled visibility for both the podcast and its featured guests, offering them a unique opportunity to reach both domestic and international audiences.

The podcast's dual mission is to:

---Empower working women worldwide by providing actionable insights on investment and financial literacy.

---Amplify the voices of female leaders in the investment space, showcasing their expertise and success stories to a global audience.

“Investornomy Podcast is not just a show; it’s a movement to inspire and educate women, while celebrating the transformative impact of female leadership in finance,” Dr. Linda added.

Call for Guests: The Investornomy Podcast is inviting exceptional female investment experts from across the globe to apply to be featured on the show. Selected guests will have the opportunity to share their expertise, gain international exposure, and inspire millions.
