

# Slope Extension by Chia Hao Tung Wins Iron A' Design Award in Interior Space and Exhibition Design Category

*Chia Hao Tung's Innovative Residential Design, Slope Extension, Receives International Recognition in the A' Interior Space and Exhibition Design Awards*

COMO, CO, ITALY, January 15, 2025 /EINPresswire.com/ -- The A' Design Award, a highly respected international design competition, has announced [Chia Hao Tung](#)'s residential design, Slope Extension, as a winner of the Iron A' Design Award in the [Interior Space and Exhibition Design](#) category. This prestigious recognition highlights the significance of Slope Extension within the interior design industry, acknowledging its innovative approach to transforming a confined space into an open and flexible layout.

Slope Extension's award-winning design showcases the importance of creating functional and aesthetically pleasing living spaces that adapt to the needs of modern lifestyles. By demonstrating how thoughtful design can optimize limited space and enhance the overall living experience, Slope Extension serves as an inspiration for interior designers, architects, and homeowners alike, pushing the boundaries of traditional interior design practices.

Chia Hao Tung's Slope Extension stands out for its creative use of sloped surfaces, diagonal lines, and beveled corners to break away from the limitations of horizontal and vertical axes. The design seamlessly integrates structural elements, such as columns and beams, into the overall aesthetic, while incorporating innovative features like embedded wall lamps and hidden cable trunking. The result is a visually expansive and flexible living space that balances functionality and aesthetics.

Winning the Iron A' Design Award in the Interior Space and Exhibition Design category serves as a testament to Chia Hao Tung's exceptional design skills and dedication to creating innovative living spaces. This recognition is expected to inspire future projects within the immerse Design Studio, fostering further exploration of space optimization techniques and pushing the boundaries of residential design.

Slope Extension was designed by Chia Hao Tung, the founder of immerse Design Studio.
